Henri A. Eisenhower Award

Henri A. Eisenhower was a veteran Scouter of North Star District, whose dedication touched the lives of the youth of his pack and troop. He was an inspiration to adults within his chartered organization and within the district. Equally important to Henri was his community. He spent many hours each month volunteering for many community service groups. Henri passed away April 25, 1993.

This award is presented annually to one Scouter who exemplifies the values by which Henri lived. Recipients of this award must show that same dedication to his/her Scouting unit and community. This award will be presented annually at the North Star District Recognition Dinner.
